

Berkshire Section News

Issue 11

February - March 2007

The February mid-week lunch meeting was to the Royal Standard near Wooburn Common. Another very good turn out for these popular events.

The February club night was the bring and buy book sale. A good response from the members brought in a useful boost to our coffers.

Some of our members showed their motor cycles at The Bristol Classic Bike Show at Shepton Mallet. The weather was foul which prevented a lot of entrants getting to the show, but those who went had a great weekend.

The March mid-week lunch meeting was the last of the winter meetings. There was large crowd at the Ring O' Bells, near Knowl Hill. The weather was very nice for March. We had eleven bikes turn up. Well done.

A motley crowd of Berkshire Section members were entered for the Pioneer Run. I think we all got to Brighton safely without any serious problems. Some were seen riding more modern bikes just for the outing.

The section quiz team managed to come away from the St. Patrick's Night Quiz without disgracing themselves. A very hard quiz for us as most of the questions were of a sporting nature.

Harry Rayner gave a very good talk on the ups & downs of motor cycle racing in the 1950's & 60's. For those of us who raced or just watched it brought back many memories. Thank you Harry.

April Events

The VMCC AGM on the 1st will be at the National Motorcycle Museum.

The John Moore Gallop from the George and Dragon, Wolverton Townsend at 10 AM on the 22nd.

The April club night on the 24th will be the video night.

May Events

The mid week run will be on the 9th, starting from Aldermaston Wharf.

The Owen Tyler Run will be on the 13th May. Three routes to choose from.

The May club night on the 29th will be a noggin and natter.
