

Berkshire Section News

Issue 10

January 2007

Our winter mid-week lunch meetings are getting more popular. We had 28 attending the January one. We went to The Crown, in Crown Lane, Farnham Common, a nice pub with a large dining room, which we filled. These mid week lunch meetings are more of a social gathering rather than a bike run. Some come on bikes but members can bring their non-riding wives in cars. We have found this an ideal way for the regular riders to keep in touch when the weather is not conducive to enjoyable motorcycling. I think this was one of the better suggestions from the membership, if you have any ideas to improve the club please let us know. We seem to have a good crowd, who get along well, let's build on this and do other things.

The AGM produced one surprise, Alan Herbert was elected as our new Treasurer. To comply with the money laundering laws we now have a formal constitution for the section. The new events calendar will be available on the February club night or visit the section website:
www.berkshire-vmcc.org.uk

Some of our members will be showing their motor cycles at The Bristol Classic Bike Show at Shepton Mallet. We don't have a Berkshire Section stand but are well represented on some of the one-make clubs stands, A.J.S & Matchless, Francis Barnett and New Imperial.

It will soon be April and the Skittles Evening. I will need to know how many are coming so we can order the food.

The cost will be the same as the last few years, £8 per head. Please let me know by the February club night.
