

Berkshire Section News

Issue 15

July 2007

The Two Pete's Run was a tour around an area we don't often go through, over the Chiltern Hills and the Vale of Aylesbury. The day was just right for motorcycling, sunny but not too hot. A good run around some fairly quiet lanes thanks to the two Pete's. It's a pity so few turned up to enjoy their hard work.

The midweek run was to Hayling Island. A cool start did not bode well but the sun came out as we headed south. A pleasant day on the quiet beach was followed by a good run home. As lunch was alfresco on the beach we stopped at the George and Dragon, Wolverton Common for dinner. Thanks to Jane and David Jarvis for the hospitality. That's bath time over for another year.

A small contingent represented our section at the 1000 Bikes event at Mallory Park. The campers enjoyed the event, the riders even more. Hopefully they will be going again next year so Doug can get his revenge on the track.

The chairman's barbeque was well attended. Most watched from the marquee as others cooked their food in the drizzle or got smoked under an umbrella but a good time was had by all. Many thanks to Liz for working so hard to make the evening so enjoyable.

The car park concours had some new bikes this year. It was difficult to choose a winner but after discounting the chief judge's own bike, a very nice Velocette Viper stood out from the others. Well done all of you for the time taken to polish so many bikes.

August Events

The mid week run will be to Holycombe on Wednesday the 8th of August, starting from Aldermaston.

We will have a pitch at the Popham Mega Meet on Sunday 19th August in front of the marquee.

The August club night on the 28th will be the Show a Bike Night.

September Events

Sunday the 2nd of September will be the Bucklebury Run. Starting from The Stumps. Ring Allan on 0118 9744464

The Mid week run is the trip to Cumbria and Northumbria. Aren't we already up the wall?

The Inter-Section Quiz is on Tuesday 25th at Englefield. As we missed last year I haven't yet decided if it is to be twice as long or twice as hard or both.
