Issue 38

July 2009

The July midweek run was to Hayling Island for our annual bath and picnic on the beach. A great day for lying on the beach, several members even went into the sea. The ride home was livened up by a short but heavy downpour. We stopped on the way back for dinner in the Swan in Sherbourne St. John.

Quite a few of our members were seen at the Festival of 1000 Bikes at Mallory Park. A good time was had by the hardy campers.

The Chairman's Barbeque was another good evening. Not as warm as last year but at least it didn't rain. Many thanks to Doug for the hospitality and to Liz for the hard work in preparing the food. A very good evening.

The Founders Day at Stanford Hall was the usual good day out, with plenty of bikes to see and a good autojumble as well.

The Club Night on the 28th was the Car Park Concours. The committee thought that a Triumph Speed Twin was the winner. It was a most original bike which appeared to be just as it would have looked when it left the factory.
