

Berkshire Section News

Issue 61

June 2011

The June midweek run was The John Moore Run. We started with a short run just round the corner to the Police Training College in Ufton Nervet. We were shown round the various departments from the dog section to the under water recovery vehicle and some of the special cars. We also had a guided tour of the Police Museum. Afterwards we went to a pub in Sherfield on Loddon for lunch.

Several of our section members went to The Banbury Run. Another good day for a ride around unfamiliar roads. Malcolm ran the New Imperial Stand again this year which was a focal point for our members to meet and park crash helmets

The Mystery Run was another hot day for a wander around the Vale of Aylesbury to Otmoor. We headed out via Long Wittenham and Clifton Hampden to H's Café for coffee. After a much needed break we the wandered towards Brill Hill and through the Army Depot at Arncot to The Crown in Charlton in Otmoor. We had a nice buffet lunch while we rested during the hottest part of the day. Later after meander through South Oxfordshire we finished up at Allan's house where Jean made us welcome and a cup of tea and some cake.

July Events

13th Midweek Run. Doug Ellis 01635 45632
