Issue 60

May 2011

The May midweek run was to The Flowerpots Inn in Cheriton near Alresford. A nice ride out through the Candovers.

The Owen Tyler Run was held from a new venue this year. Not many pre war bikes but a good turn out of post war machines. Most enjoyed the run out over Watership Down and via Micheldever and South Warnborough to Crondall for a stop for a little relief before returning to Padworth.
