Issue 8

November 2006

Unfortunately due to the closure of the Englefield Social Club we had to hold the October meeting in the Red Lion in Theale. The skittle alley is small and we only just fitted in but we must be thankful that there was somewhere close that could accommodate us at short notice.

The October club Night was guest speaker night, this year it was in-house with Doug Ellis giving a talk with a video presentation on Moto Morini, their history and motorcycles. A very interesting and informative evening, it was nice to hear about different marques for a change. Thank you Doug.

The Mid-week run on the first was the last one of the year. We had a short run in glorious sunshine over Watership Down to The Bullington Cross Inn at Sutton Scotney. It was nice to ride over quiet roads in the dry after last month's deluge. The bikes seem to go so much better when there is a nip in the air.

We managed to enter two teams in the Oxford Section's quiz night. The B team did not disgrace themselves just one point behind the three-way tie for first place. After some extra rounds the Berkshire A Team won by two points.

For those of you that won't be on the mid-week lunch meeting or the Christmas Dinner I wish you a Merry Christmas and a Happy New Year.
