

Berkshire Section News

Issue 31

November 2008

The November midweek run was a fairly short run through some pleasant Berkshire countryside. The weather wasn't too bad for the time of year but not as nice and sunny as some previous November runs. Autumn is a nice time to ride through wooded lanes when the leaves are changing but before they fall making the roads dangerous. We started as usual at Aldermaston Wharf and meandered through the lanes to the north of the A4. We stopped for a long lunch at The Four Points and then rode home before the day cooled off. A nice end to our riding year.

The quiz team was on form again, winning the Oxford Section's quiz. Two wins and one second this year shows we still have the odd brain cell working.

Don't forget the January meeting is the Annual general Meeting. Come along and have your say as to how you want your section to be run.

We wish you a Merry Christmas and Happy New Year.

With many trouble free runs in 2009.
