Issue 54

November 2010

The November mid-week run was the last of our riding events for the year. We started from Dave's as usual and meandered around some of the back roads of Crookham and Bucklebury commons.

It was a beautiful day for November, dry and crisp with a little sunshine to brighten the day up. Just the right weather with no soggy leaves in the road. We pottered about for a while ending up at The Four Points near Aldworth.

After a long lunch we headed home before the sun set and it started to get cold. A nice day out to finish the year.

The Quiz Team was back on form, they managed a convincing win at the Oxford Section's Quiz Night.

December Events

1st The first of our winter lunchtime meetings. Doug Ellis 01635 45632
