

Berkshire Section News

Issue 6

September 2006

September started with the Bucklebury Run. Only a dozen riders turned up for a very good run through the vale of the white horse to a new pub at Bishopstone. We had a good day out with good company, who could want for anything better to pass away a Sunday. Many thanks to Bill and Allan for the route.

Some members went on the Chalgrove Run. This is a very good run organised by the Oxford Section. It is worth going, perhaps we can get a few more riders to represent our section next year.

The September mid-week run was the four-day run to Winchelsea. A trouble free journey with stops for coffee and lunch. The motel was good with a very good chef who was able to indulge us in our next favourite hobby to motorcycling, namely eating. We had two days of riding in the sun, with so many places to visit we were spoilt for choice. On Tuesday we went to the Morgan museum in Rolvenden in the morning and to Sissinghurst Castle after a lunch stop in Benenden. On Wednesday we split up to do various things that took our fancy. The usual suspects were seen paddling in the sea again. The return journey was livened up following Jean's complaint of a funny noise at the rear of her car by a contest to find the Rattliest Velocette but I will not divulge the winner only it was not her husband.

The inter-section quiz was postponed until the October meeting because of the E.Coli outbreak in Englefield. The guest speaker has been put off until the new year.

October Events

The mid-week run is to Aldershot Air Sciences Museum on the 11th

You could try Malcolm's Massive Meander from The Horse & Harrow at West Hagbourne on the 1st

November Events

1st of November for the mid-week run to The Bullington Cross Inn

November club night is the bring and buy sale on the 28th.

The next club night will be the Inter Section Quiz on Tuesday 31st October not the guest speaker as advertised.
